Subject: Agenda Item 3

Dear Mayor and Council,

I am a resident, homeowner and business owner in Carlsbad, CA.

I write in opposition to releasing a city employee's vaccination status, relative to Agenda item 3 on tomorrow's meeting agenda.

This is in violation of an employee's right to confidentiality and would create a hostile work environment.

Adoption of this item would result in a dangerous precedent moving forward regarding personal medical health freedom and lead to segregation of the vaccinated versus the non-vaccinated, as well as have a potential negative fiscal implication with added costs for proper accommodations.

Further, it could violate an employee's right to religious freedom. Many people choose to exempt themselves from certain vaccines that were tested and/or manufactured using aborted fetal cells.

For these reasons, I oppose Agenda item 3.

Respectfully submitted,

Melanie Burkholder, PhD

Candidate for the 76th District State Assembly
